

PUMP UP MY HAIR BULB

Scalp serum

A scalp serum is a product specifically designed to treat and care for the health of this region that is often neglected, but essential for the overall health of your hair. Common benefits associated with using a scalp serum include Deep Hydration, Controlling Hair Loss, Strengthening Hair, Relieving Itching and Irritation, Controlling Oil, Protection against Environmental Damage, and Improving Overall Appearance.

Fase	Ingrediente	% w/w
A	Tocopherol	3,00
A	PEG-40 Hydrogenated Castor Oil	2,00
A	ALPHAIMPROVE 4D HAIR (Bisabolol, Pentaclethra macroloba seed oil, Orbignya oleifera seed oil)	7,00
A	HYALURONIC TUCUMA EXTRA (Astrocaryum vulgare seed butter)	1,00
A	COLLAGSCALP ANDIROBA (Carapa guianensis seed oil)	2,00
B	Coconut Alkanes (and) Coco-Caprylate/Caprate	15,00
B	Heptyl Undecylenate	20,00
B	Neopentyl Glycol Diheptanoate	7,00
B	Triheptanoin (and) C13-16 Isoalkane	5,00
B	C9-12 alkane (and) Dilinoleic acid/Butanediol Copolymer (and) Coco-Caprylate/Caprate	q.s.p
B	Dibutyl Adipate (and) Pentaerythrityl Tetra-di-t-butyl Hydroxyhydrocinnamate	0,50
C	Fragrance	q.s.

Procedure:

Mix the phase A ingredients at temperature (80 °C);
Mix the ingredients of phase B under temperature (80 °C);
Add phase A to phase B;
Add phase C (40 °C);
Adjust the pH.

How to use:

Apply 2 or 3 pipettes full of the serum to the entire scalp on dry or damp hair. With your fingertips, massage using circular movements.
