Formulation Instructions on demand

Demonstration sample for experimental use only

A protective milky hair mist

With its peachy fragrance, protect your hair against summer & city stress

SOLINE® Bio

ORMESIA®

Premium Avocado Oil

CONCEPT

This lightweight, milky mist wraps your hair, shielding it from UV rays thanks to **SOLINE® Bio** and protecting it from pollution, and everyday stress thanks to **ORMESIA®**'s action. It strengthens to prevent breakage, eases detangling, and enhances softness and shine.

Our **Premium Avocado Oil** helps to deeply nourish and hydrate your hair lengths.

BEAUTY CARE

Spray directly onto your hair lengths and then gently comb through with your fingers.

Pimp My Scalp
rebalancing scalp care

A rebalancing scalp care

A natural scalp care lotion to purify and reduce dandruff while improving scalp health.

CONCEPT

PIXALIA®, an extract from *Cleome gynandra*, rich in polyphenols, is clinically proven to rebalance the scalp microbiome, targeting *M. restricta* yeast, responsible for dandruff. It reduces inflammation, helps **regulate sebum quality, purifies the scalp, and provides freshness.**

BEAUTY CARE

Apply directly on the scalp using the nozzle, and gently massage onto the scalp
